## The Perfect Spray On Lubricant For Routing All Types Of Laminated Plastics

- FAST AND EASY
- NO MESSY CLEANUP
- NO OILY JELLIES
- NO STICKY PASTE WAXES
- NO BRUSHES OR RAGS

Best lubricant for routing laminated plastics. Prevents burns and scratches caused by self-guiding cutter. Will hide and aid in preventing minor surface scratches on laminated plastics. Can be used on suede or smooth surfaces.

Excellent for lubricating table saw tops.
